Bribery Prevention Moodle Access Instructions

The Bribery Prevention course is now available for you to access and work through on Moodle.

The Moodle course will enable you to:
- Increase your awareness of the Anti-bribery policy and the offences under the Bribery Act
- Understand what bribery is and what it is not
- Know your individual responsibilities for the detection, prevention and reporting of bribery

The course involves a small amount of reading and questions for you to answer which should take you no longer than 30 minutes to complete.

To access the course, log onto **the Staff Portal** and click on the **Staff Development tab**. In the **Online Staff Development Courses channel** on the right hand side, click on **Select a Course**. You should then see a list of courses and one should be **Bribery Prevention**. Please click on this course, which will take you directly to the Bribery Prevention course.
