

Greenwich Inclusion Plans (GIPs)

The Greenwich Inclusion Plan (GIPs) is a support plan which outlines reasonable adjustments and exam arrangements that are needed for a student to be able to fully access all aspects of their student journey. These arrangements include teaching, learning, assessment, IT, library and teaching space.

Students with disabilities, specific learning difficulties, mental health condition and/or long-term medical condition who are registered with the Student Wellbeing Service will have a GIP in place.

We have a duty under the Equality Act 2010 to consider and make these adjustments so please do ensure that you are aware of your disabled students' support needs by viewing the GIP and its contents.

Please note: if you receive a notification for a student you do not teach or support then this means there is incorrect information on Banner. Please liaise with your faculty administrators to correct this, the Student Wellbeing Service are unable to make these changes.

If you have any questions, then please contact us on wellbeing@gre.ac.uk

To view a GIP

- 1) You can click on the link in the automatic email notification you have received.

or

- 2) Open Banner Web,
Scroll down to 'Integrated Disability Support'
Select on 'View Cases for Greenwich Inclusion Plan'
Scroll down to the student or search via search bar
Click on 'Details'.
